II) Logging in to MyApps

1) Open a browser and type “mydesktop.med.cornell.edu” in the URL Address Bar.

2) Sign in with your CWID and Password, and then click the Log On button.
3) Click the icon to access the Courses Portal. This link takes you to the content of your course.

Click the icon to view the WBG Learning Portal. This is the administrative portal where you'll register for courses, browse the course catalog, and view your qualifications.

4) When you navigate to the Weill Business Gateway, click the button located in the upper right corner of the window to log in once with your CWID and password.
